No-Show Policy

Updated: September 22, 2023

We value our patients' time. Unlike many clinics that allow walk-ins and double/triple timeslots, our patients are given non-overlapping appointments. We also differ from other clinics as we do not charge a no-show fee.

Our definition of a no-show is failure to keep an appointment or cancellation of an appointment with less than a business day of notice. An excused no-show will be granted on a case-by-case basis and will typically require medical or legal documentation.

By signing below, I understand that a no-show will result in discontinuation of care.
